## **SCHOOL BUILDING SAFETY CERTIFICATE**

The officials of Division No. I, Education Engineering Wing, Education (S) Department, Government of Manipur have visited the UNACCO School, Excellence in Education, Chanung, Imphal East, Manipur on 12<sup>th</sup> September, 2022 and have physically inspected the building from the angle of safety and fitness for utilizing it as a School Building and declared it safe under normal present condition.

G+2 RCC framed structures of the school building have fulfilled the National Building Code 2005 guidelines. In case, the building is affected by any natural calamities or if there is any settlement in the foundation or any defects in the structures of the building, immediate inspection be arranged to check the stability and safety of the building.

It is hereby certified that the building can be safely occupied to be used as classrooms, staffrooms and other purpose such as residential purpose etc. as required for normal functioning of a school up to Higher Secondary Level.

The certificate is valid only for 5 (five) years and it has to be renewed as and when required. This certificate is not valid for any legal cases
